RE: Open Records Request (19-2145)

Dear Emma Best:

You asked for a copy of records describing, authorizing or mentioning expenses or personnel assignments in response to or accommodation of visits from officials in the federal government between 1/1/2001 and the present, pursuant to the provisions of the Kentucky Open Records Act. Due to the storage location of this file, it cannot be determined at this time if records responsive to your request are in existence and possessed by Kentucky State Police. However, I have initiated a search to determine if records responsive to your request are in existence and possessed by the Kentucky State Police. The information will be released to you, to the extent Kentucky Open Records Act, upon completion of the review. The records or a letter stating the status of your request should be mailed to you on or before October 27, 2019.

In accordance with KRS 61.880, if you so request, the Attorney General will review this action and issue a written opinion to this agency stating whether we have acted consistently with the provisions of the Kentucky Open Records Act.

If the Kentucky State Police can assist you further, please let me know.

Sincerely,

A handwritten signature in black ink that reads "Stephanie Dawson".
